Get Involved

KICE welcomes partners, donors, volunteers, and community members who share our vision for a resilient Kipini. There are several ways to support our work:

- **Partner with us** — Co-implement programmes, share expertise, or provide technical support
- **Donate** — Fund a mangrove restoration campaign, sponsor a mobile clinic day, or support youth training
- **Volunteer** — Contribute your skills to community programmes in Kipini
- **Refer** — Connect marginalised individuals or groups to our programmes
